The Township continues to use the telephone meeting format in an effort to mitigate the chance of exposure to COVID-19, as a part of the Township's ongoing effort to slow the rate of transmission and avoid overwhelming our treatment centers.

In order to make sure a clear record of the meeting can be made and that all parties are heard in an organized fashion, all members of the public will be muted during the meeting. If a member of the public wishes to speak during any public comment portion, please press *9 (star nine) in order to raise your hand to speak. We will unmute members of the public individually if they have their hand raised. When it is your turn to speak, you will hear a notification that you have been unmuted. It is at that time that you should begin to ask any questions you may have. You will have three minutes to speak, at the conclusion of which you will be muted again, and the council or administration will respond as necessary. Should you have any further comments or questions, the Township Council is always available by email and phone, and you can always call the Mayor's office during normal operating hours. Each member of the public shall only have one opportunity to speak during each public portion. As the technology does not allow us to know if there are multiple callers on an individual line, we ask that if you wish to speak, that you dial in on a separate line so that we can recognize you as a separate individual.

Individuals may also submit written comments to the Township Clerk up to forty-eight (48) hours prior to the meeting, to be read by the Township Clerk during the Public Comment Portion of the meeting. Said comments shall be limited to three minutes of reading.
