The Township continues to use the telephone meeting format in an effort to mitigate the chance of exposure to COVID-19, as a part of the Township's ongoing effort to slow the rate of transmission and avoid overwhelming our treatment centers.

In order to make sure a clear record of the meeting can be made and that all parties are heard in an organized fashion, all members of the public will be muted during the meeting. If a member of the public wishes to speak during any public comment portion, please press *9 (star nine) in order to raise your hand to speak. We will unmute members of the public individually if they have their hand raised. When it is your turn to speak, you will hear a notification that you have been unmuted. Should you have any further comments or questions, the Township Council is always available by email and phone, and you can always call the Mayor's office during normal operating hours.
