

Mayor's Message

At January's Martin Luther King, Jr. Commemorative Breakfast put on by the Piscataway Civil Rights Advisory Commission, we were honored to have four Piscataway residents whom participated in the 1963 March on Washington: (l-r) Ms. Joyce Coles, Ms. Kathryn Riss, Mr. Richard Scott & Rev. Dr. Kenneth L. Saunders, Sr., Commission Chair.

That Piscataway is home to the "First 4th," the site of first national Fourth of July celebration, is always a source of pride. Now Piscataway will be able to showcase our role in history throughout the year with the new Forever the 4th Gallery at the Metlar-Bodine House Museum.

Construction has begun on this new \$1.3 million annex that will house the Ross Hall Wall, the last remaining artifact from the July 4, 1778 ball held by General George Washington at the 1742 Ross Hall mansion which once stood on River Road. The Ross Hall Wall was

designated an "American Treasure" by the National Park Service.

We are very grateful that Representative Frank Pallone, Jr., Senator Bob Menendez & Senator Cory Booker included \$500,000 in federal historic preservation funds for the construction of the Forever the 4th Gallery in the Omnibus Appropriations bill signed into law by President Joe Biden in December.

So how did Piscataway become home to the First 4th? With the Declaration of Independence signed in

1776, America's first birthday in 1777 was only acknowledged across our young country with sporadic celebrations.

However, in early July 1778, the British Army was in Sandy Hook after having lost to our Continental Army at the Battle of Monmouth. General Washington was headquartered at Ross Hall in Piscataway with thousands of American troops camped along the Raritan River.

To mark America's second birthday and set an example of how to celebrate the Fourth of July, Washington ordered soldiers to "...adorn their hats with green bows," and provided them with a, "double allowance of rum." On July 4, 1778, American troops paraded in two lines nearly a mile long for Washington and other officers. At 5 p.m. a single

cannon was fired followed by approximately 11,000 soldiers performing the "feu de joie," a celebratory firing of rifles in a succeeding pattern, on the riverbanks.

Washington would host a celebratory ball later that evening at Ross Hall with guests including Nathanael Greene, Alexander Hamilton, the Marquis de Lafayette, Lord Stirling and Baron von Steuben.

While Ross Hall was demolished in 1957, the parlor wall was preserved. To prepare the Ross Hall Wall for display in our Township, it is undergoing conservation work in Tennessee and is expected to return to Piscataway this fall. I look forward to the completion of the Forever the 4th Gallery and in the meantime, as you celebrate

Please do not feed the geese

During this time of the year, geese have been seeking to pair with their mates and set up nests. Once offspring are born, it makes it more difficult to chase them away and keep the parks clean of droppings.

This is one of several reasons that Township ordinance prohibits feeding geese and other waterfowl. Birds can develop bad dietary issues & diseases and are a major contributor of phosphorus and nitrogen pollution in ponds and small lakes. Violators can be fined.

Department of Public Works – 505 Sidney Road – (732) 562-2390

Recycling Center & Mini Dump hours through December 31, 2023

Tuesdays & Thursdays, 2-8 p.m. (Gates close at 7:45 p.m.)

Saturdays, 8:30 a.m. - 4:30 p.m. (Gates close at 4:15 p.m.)

Sundays, Mondays, Wednesdays, Fridays & holidays – Closed

Make sure you have your Piscataway Service Card for all services provided by the Department of Public Works. For information about it, please use the QR code. Only checks and credit/debit cards may be used to add funds to your Service Card for grass credits or additional leaf bags. No cash is accepted.

Credits are required for grass disposal, may be purchased in the Public Works Office starting Wednesday, March 1st and are good for the current year only. Cost: \$1 per credit with a minimum purchase of two credits. The grass credits do not include a bag. The bag up to 30 gallons is to be supplied by the resident. The Recycling Center will accept bagged grass with credits starting Tuesday, April 4th. Credits will be placed on the service card account when purchased.

Credits are also required for lumber, household debris, carpeting, furniture and all other non-recyclable materials that are acceptable as trash for disposal at the recycling yard. Not permitted are kitchen garbage, hazardous or toxic waste, chemicals, paints, contractor debris, dirt, concrete or any other type of rock debris.

Every year credits will be placed into the account for four trash visits and two curbside pickups. A passenger vehicle requires one credit and a pickup truck requires two credits. Residents must provide a Service Card for recyclable materials such as batteries, tires (maximum two per trip), motor oil, branches, leaves, metal, various plastics and glass, cardboard and paper. A list of recyclable materials is available on the Township website. Brush may be brought to the Mini Dump but may not be longer than five (5) feet in length or greater than four (4) inches in diameter. Recycling and brush trips are unlimited but residents must have their Service Card for each visit.

Electronic devices covered by the NJ Electronic Waste Management Act include televisions, desktop & personal computers, monitors, printers and fax machines. They may be brought to the Recycling Center during hours of operation. Electronics will not be picked up curbside.

Hazardous materials

Residents are encouraged to recycle hazardous household materials and paint at Middlesex County's designated locations at announced dates & times. Piscataway Township does not accept any hazardous waste, toxic waste materials, chemicals or paints at its Recycling Center & Mini Dump. Please access the Middlesex County Improvement Authority website for recycling information using this QR code.

Bulk pick-ups

Residents may schedule two (2) bulk trash curbside pickups and one (1) brush curbside pickup per calendar year by calling (732) 562-2390 for an appointment. Residents must have their Service Card before calling. The last appointments can be scheduled in mid-September and the final curbside pickups end in the second week of October. During the summer months there may be a six to eight week wait so please schedule as early as you can. Branches must be bundled and tied. No bagged brush is allowed.

Arriving

All residents entering the Mini Dump must have their vehicles properly insured, inspected and registered. Open-toed shoes and flip flops are not allowed to be worn. Children are not permitted to leave their vehicle and roam the recycling yard. No trucks larger than half-ton pickups and no trucks with sideboards are allowed. Pickup trucks and full size vans are required to provide two (2) credits per visit.

Parking is available in the visitor lot facing Sidney Road. Please enter through the building's main entrance.

Be mindful of what you flush

The Piscataway sewer system is designed to flow from your home through the Township-owned sewer lines to the treatment plant in Sayreville. In some areas, due to the topography, flow has to go uphill and must be assisted by lift stations known as pump stations. At this point, certain elements have to be excluded as the pumps can get jammed by materials such as fabrics, both woven and non-woven. Other types of products include baby wipes, chemically treated wipes, sanitary napkins and most paper towels. Although many manufacturers of these products list them as flushable, in reality, they are not. We ask that you dispose of these non-flushable materials via your regular garbage collection for deposit at a landfill. By complying, you will reduce the possibility of you having a plumbing company rectify a sewer blockage at an estimated cost of \$125 per hour.
