

Mayor's Message

Piscataway's own Chanelle Scott McCullum takes the oath of office as the newest member of the Middlesex County Board of County Commissioners from County Clerk Nancy J. Pinkin and alongside her family including Sheriff Mildred S. Scott.

Four is the new big number in Piscataway! For four years in a row we have an annual Township budget with a 12.8 percent lower municipal tax rate. The number four matches the four times that Money Magazine placed Piscataway on its prestigious Top 100 Best Places to Live in America list, most recently in 2019.

Home values are rising, more than two dozen roadways are being rebuilt and many good jobs are available for hard working residents. This is all the more remarkable since the national economy last year was far from ideal and cities throughout the country had to make difficult budget decisions. However, the lifeline of the I-287 corridor has kept our Township thriving.

The present and future of our region's economy is in state-of-the-art logistics centers that enable products to be transported to and from highways. Because we have been proactive with economic development, many big-name companies have either located or expanded in our Township. Now, what Piscataway makes, the state takes!

Chanel, Kiss Cosmetics, L'Oréal and Louis

Vuitton have made Piscataway a hub for beauty and fashion products.

Have you ordered a pizza lately? It may have been delivered in a cardboard box manufactured right here in Piscataway by the Canadian company Cascades. Meanwhile, Arizona Iced Tea, Dawn Foods, Performance Food Group, Robertet Flavors and Tramontano Produce are getting a wide variety of foods to markets.

Aaron & Company, FW Webb, and Fujitsu are all in Piscataway providing goods for home improvement. At the same time, furniture from Bob's Discount Furniture and Humanscale as well as appliances from Best Buy and Fisher & Paykel are being moved through our Township.

The transportation industry is now relying more on Piscataway. Kinkisharyo and Strato are key players in train travel as National Manufacturing Company and Thales Avionics provide necessary equipment for airplanes.

Speaking of technology, DuPont Fabros, SHI, Verizon and Whale Ventures all call our Township home. Hudson Holdings Group

is producing N95 masks right in our community and the medical field is further boosted by the Piscataway-based facilities of Cambridge Pharma, Johnson & Johnson and Horiba Scientific.

It's important to remember that these facilities are on private property zoned for decades for commercial and industrial use. To have kept the land untouched would have meant the Township purchasing the properties from the private owners possibly through eminent domain. That would have meant tens of millions of additional tax dollars coming out of your pockets.

Fortunately in our community we can have both booming commerce and open space with our planned 75-acre Piscataway Ecological Park. In addition, our 27 parks with new playgrounds and other amenities provide fantastic outdoor recreation.

If the private landowners had chosen to build acres of new houses and apartments, that would have been a large budget strain on our school system. Thousands of passenger cars would have been added onto our main roads and neighborhood streets – far more vehicles than the commercial trucks that only use thoroughfares to get to I-287.

Moving forward in 2021, Piscataway will continue to support our great economic activity so we can all enjoy affordable neighborhoods and fantastic amenities including a \$32 million community center built with no residents' tax money.

As always, if I may ever be of help to you, please call my office at (732) 562-2301.

DONATE YOUR CAR! Receive a tax write-off by donating your vehicle to **RIVER ROAD FIRE COMPANY**

Township Calendar

July

- 8 Zoning Board at 7:30 p.m.
- 13 Township Council at 7:30 p.m.
- 14 Planning Board regular meeting at 7:30 p.m.
- 28 Planning Board site plan/subdivision meeting at 2:30 p.m.

August

- 10 Township Council at 7:30 pm.
- 11 Planning Board regular meeting at 7:30 p.m.
- 12 Zoning Board at 7:30 p.m.
- 25 Planning Board site plan/subdivision meeting at 2:30 p.m.

September

- 1 Planning Board regular meeting at 7:30 p.m.
- 9 Zoning Board at 7:30 p.m.
- 14 Township Council at 7:30 p.m.
- 22 Planning Board site plan/subdivision meeting at 2:30 p.m.
- 23 Zoning Board at 7:30 p.m.

Please check the Township website to see if meetings have been placed online or cancelled.

Please do not feed the geese

Township ordinance prohibits feeding geese and other waterfowl for several reasons including that the birds can develop bad dietary issues & diseases and are a major contributor of phosphorus and nitrogen pollution in ponds and small lakes. Violators can be fined.

Help Stop Domestic Violence

The Piscataway Township Domestic Violence Crisis Intervention Team (PDVCIT) is looking for volunteers to assist victims of domestic violence. Requirements are:

- A valid driver's license
- Completion of 40-hour training course
- One year of service consisting of four 6-hour on-call shifts per month
- Attend monthly meetings and an annual refresher course

For an application or any questions, please contact Piscataway Township Police Dept. Lieutenant Constance Crea at (732) 562-2517 or PTDVRT@PiscatawayNJ.org.

Congratulations Councilmember Linwood D. Rouse!

Councilmember Linwood D. Rouse took the oath of office in May as an at-large member of the Piscataway Township Council filling the seat of Commissioner Chanelle Scott McCullum whom now serves on the Middlesex County Board of County Commissioners. Councilmember Rouse was accompanied by his wife Sheila as Mayor Brian C. Wahler administered the oath.

Born in Washington, DC, Councilmember Rouse has lived in Piscataway since 1989 and leads the congregation at Macedonia Original Free Will Baptist Church. The ordained minister has been the long-time chaplain for the Piscataway Township Police Department and Holmes Marshall Fire Dept.

Protecting the Garden State from Climate Change

by Senator Bob Smith

New Jersey is one of the most vulnerable states in the nation to the ravaging effects of climate change. From our hundreds of miles of beautiful coastline to the wild pinelands and pristine highlands, our entire state is impacted. In Piscataway and the surrounding areas, we expect to see much more frequent flooding along the Raritan River similar to what we saw during Superstorm Sandy.

So, even though we are working to make our state and communities greener, climate change is an unfortunate reality that will be with us for the foreseeable future and we need to make sure our towns and cities are prepared.

This legislative session, I introduced Senate Bill 2607 requiring that the land use plan element of a municipal master plan include a climate change-related hazard vulnerability assessment. The bill passed both houses and was recently signed into law by Governor Murphy. The assessment will consider the environmental effects associated with climate change on all aspects of a municipality. Examples of environmental effects are temperature rise, drought, flooding and sea level rise. The plan will also have to contain ways to mitigate natural disasters.

This new law expands upon my 2017 law that requires municipal master plans to include ways to implement smart growth such as electric vehicle charging stations, storm resiliency for energy facilities and flood-prone areas, and environmental sustainability.

Climate change is an existential threat to us all. If you have any ideas or suggestions, please reach out to my district office (732) 752-0770 or email me at SenBSmith@NJLeg.org.

Commissioner Chanelle Scott McCullum was joined by Senator Bob Smith and Mayor Brian C. Wahler as she took the oath of office as the newest member of the Middlesex County Board of County Commissioners.

Sterling Village

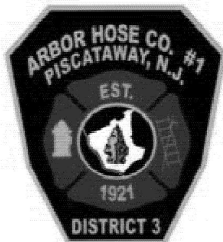

Apartments are available for those age 62 and older with low and moderate incomes at Sterling Village, Piscataway's independent senior living residence.

Located adjacent to the Senior Center, John F. Kennedy Library and Community Center, the 150-unit, five-story building has elevators, a community room, laundry on the first floor, and a furnished outdoor patio & grill. A security guard is on duty in the evenings and on weekends. Owned by the Township, it is professionally managed by Lutheran Social Ministries of New Jersey.

You do not need to be a Piscataway resident to move into Sterling Village. At this time, there are vacancies for low-income \$984/month and moderate-income \$1,181/month one-bedroom apartments with heat, electric and water included. Cats and dogs up to 20 lbs. are allowed with a one-time \$75 pet security deposit. For more information, please call (732) 699-0033.

Department of Public Works – 505 Sidney Road – (732) 562-2390

Due to the ongoing Covid-19 pandemic the offices are closed to visitors until further notice. For unavoidable interaction at the discretion of our office personnel special arrangements will have to be made by calling (732) 562-2390. Social distancing and masks will be required. Parking is available in the visitor lot facing Sidney Road.

Recycling/Mini-Dump Center's summertime days & hours

Tuesdays – 2 p.m.-8 p.m. (Gates close at 7:45 p.m.)

Thursdays – 2 p.m.-8 p.m. (Gates close at 7:45 p.m.)

Saturdays – 8:30 a.m.-4:30 p.m. (Gates close at 4:15 p.m.)

The Center is closed on Sundays, Mondays, Wednesdays and Fridays as well as certain holidays.

Residents must wear a mask or similar effective face covering when coming to the Center.

Need to dispose of leaves? Grass? Other bagged brush or vegetation? Since January 1, 2020, in lieu of the coupons being mailed to residents, you will use the new Piscataway Service Card that electronically contains the services provided by DPW through a UPC code.

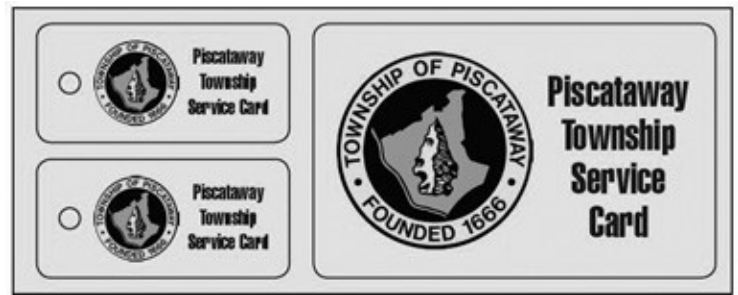

While a Service Card packet is normally provided at the DPW office, due to the Covid-19 pandemic, no residents may enter the DPW offices. However, homeowners may e-mail an image of their driver's license to ServiceCards@PiscatawayNJ.org and a card packet will be sent in the mail. Renters will need their landlords to obtain a service card packet for them. If you need assistance, please call our office at (732) 562-2390 on Mondays-Fridays from 8:30 a.m.-4:30 p.m.

Grass may be disposed at the recycling yard for a charge of \$1.00 per 30 gallon bag. The bag is to be provided by the resident. Due to the Covid-19 pandemic, payment for grass coupons can be made by mailing in a check with the request for coupons or call the office at (732) 562-2390 to arrange for a limited special visit to the office where a credit card can be used by the DPW personnel to charge for grass coupons. Your service card number is to be provided so the credit for grass coupons can be entered into the service card. A minimum of two \$1.00 purchases must be made with each transaction. Once pandemic restrictions are released, grass coupons can be purchased directly at the DPW office. Only checks or credit/debit cards are accepted for any purchases made through the DPW office. Checks should be made out to "Township of Piscataway." Please note that grass coupons are valid only in the year that they are purchased. The service card acts as your ID and must be presented at the gate as proof of residency.

Public Works will not pick up leaf bags until the Fall. Residents who leave leaf bags at the curb after receiving a notice to abate may be subject to a fine. However, residents may bring them to the Mini-Dump Center during its summertime hours. Unbagged vegetation such as branches brought to the Center will not be debited from your service card but will be scanned for record purposes.

Need to get rid of lumber, household debris, carpeting, furniture or other such non-recyclable materials? This is also when to use your service card under the continuing rules & regulations. When you bring any of these materials to the Center, you must present your service card as your ID. A car-load of these materials needs one scan of the card; a pick-up truck needs two scans of the service card to debit each permitted deposit of trash. Please remove all nails from lumber.

Residents entering the Center must have their vehicles properly insured, inspected and registered. The largest vehicle allowed is a half-ton pick-up truck. No commercial vehicles, trucks with side boards, boxed U-Hauls or moving trucks are permitted.

What to do with materials such as batteries, tires, motor oil, certain metal items (washers, dryers, dishwashers, hot water heaters, refrigerators, air conditioners), certain electronics (televisions, desktop or personal computers, computer monitors, portable computers, desktop printers, desktop fax machines) as well as any recyclables usually picked up curbside? You can bring these to the Center. As these items are recyclable, none of the services provided will be debited but your service card will be scanned for record purposes.

Some items may not be brought to the Center. No paint, hazardous waste, kitchen garbage, contractor debris, dirt, rocks or stones are handled by the Township. The Center will also not accept other electronics such as cell phones, copiers, digital cameras, DVD players, e-book readers, keyboards, MP3 players, modems, mice, personal digital assistants (PDAs), scanners, stereo and radio equipment, telephones, VCRs or any products that contain rechargeable batteries not included in this list. Please contact the Middlesex County Division of Solid Waste Management at (732) 745-4170 for information on how to dispose of such items.

Need a special curbside pickup? Until mid-October, residents may schedule two curbside trash pickups and one curbside branch pick up. Your service card will be debited accordingly. To schedule, please call the Public Works Department at (732) 562-2390 no later than Friday, September 10th as scheduling curbside pickups are at least a month in advance. All mattresses and box springs must be enclosed in a disposal bag.

Please keep in mind that for branches picked up curbside, the bundles must be tied with string and be no wider than one foot in diameter. Crews will not take any branches longer than five feet in length and no wider than four inches in diameter. Any bundles containing construction-type wood, metal or other foreign objects will not be taken. Please stack the bundles neatly at the curb, making the pile no longer than ten feet in length, five feet deep and four feet high.

East Jersey Old Town Village

Middlesex County's East Jersey Old Town Village has family fun for everyone. Meet historical interpreters throughout the Village and enjoy baseball games played under 19th Century rules. Please remember that scheduling may change based on Covid-19 considerations.

Saturday, July 24th – Hoboken BBC vs. New Brunswick Liberty BBC at Noon

Saturday, August 7th – Northern New Jersey Catchers 2021 Metro Gathering Mega Event

Saturday, August 21st – Brooklyn Atlantics vs. New Brunswick Liberty BBC at Noon

Sunday, September 5th – New Jersey Blacksmiths Association Hammer In'

Library Notes

www.piscatawaylibrary.org

Library buildings are open! Please visit us Monday-Saturday at our Kennedy branch (500 Hoes Lane) or Westergard branch (20 Murray Avenue).

Summer Reading Club runs from June 17th-August 10th this year and offers incentives to encourage children from birth to 12 years of age to read and complete activities. Piscataway families can earn badges and prizes using READsquared. Register starting Thursday, June 17th at Piscataway.READsquared.com. Print materials are available upon request for families without access to a computer or mobile device. For more information, contact Sharlene Edwards at (732) 463-1633, Ext. 7 or SEdwards@PiscatawayLibrary.org.

Teen Activities – From Summer Reading Club to a hackathon to humor writing, comic creation and crochet, there are activities for students entering grades 7-12 to suit every interest this summer. Please visit PiscatawayLibrary.org/Teen-Summer-2021 for full details and to register.

Piscataway Stories: Our Community – Join us for two book discussions that will center on themes of community as part of our Piscataway Stories: Our Community series: *A Place For Us* by Fatima Farheen Mirza on Thursday, July 29th and *Indivisible* by Daniel Aleman on Thursday, September 16th. Register at PiscatawayLibrary.org/Stories

English Classes Available – Registration for fall ESL classes will open on Monday, August 9th. Please contact Kate Baker at KBaker@PiscatawayLibrary.org or (732) 463-1633, Ext. 6 to register.

Call for Artwork – Display your art at the Library! For more information, visit PiscatawayLibrary.org/Art or contact Joe Petraroli at JPetraroli@PiscatawayLibrary.org.

Learn how to sew! Registration for fall classes begins August 30, and classes start Monday, September 13th at 10:30 a.m. Students must have their own sewing machine. Call Merry at (732) 463-1633, Ext. 4114 to register.

Questions? Contact Library@PiscatawayLibrary.org or (732) 463-1633, Ext. 4126.

At the time of publication, we anticipate all events scheduled will be held virtually. Please visit the calendar on PiscatawayLibrary.org for a full schedule of events.

Metlar-Bodine House Museum

1281 River Road, Piscataway – 732-463-8363 • metlarbodine@gmail.com

Website: MetlarBodineHouseMuseum.org • Facebook: www.Facebook.com/MetlarBodineHouseMuseum

Did you know that the Metlar-Bodine House is on the National and NJ Registers of Historic Places? For over 400 years, Piscataway has played – and continues to play – a pivotal role in our state's and nation's history. Visit! Discover the "What-Why-When & How!"

Admission is \$5; children four years old and younger are free. Group tours must register in advance. Due to room size and to maintain social distancing, tours/shop visits only accommodate up to six visitors at a time.

Become a volunteer and/or join as a member! Both play critical parts in supporting the success of our Township's official history museum by passing on to visitors of all ages the events and stories not widely known but having monumental import and impacts.

Browse the Dutch Door Gift Shop with its generous assortment of gifts, souvenirs & collectibles for all ages. All purchases support the museum.

At the time of printing, state Covid-19 guidelines require masks to be worn by adults and children ages three & older. Please visit our website or call us for up-to-date info.

Museum & Dutch Door Gift Shop Hours:

Thursdays: 10 a.m.-4 p.m.

Saturday, July 3rd from Noon-4 p.m.

Closed on federal holidays

Schedule subject to change; please look at our website's box calendar or call.

Piscataway Community Television

Television is a 24 hours a day, 7 days a week, all year long job. It doesn't matter if it is raining, snowing, nor easter blowing, or a global pandemic, people want to be able to turn on their television and see their favorite program, and PCTV was no exception. Through the turmoil and challenges of the past year, PCTV continued to air its programming, plus, even more amazingly for local public access TV, PCTV actually created new programming which helped the residents to stay connected to their community.
